BETTER LIVES

Partnering for Impact

TOGETHER, WE CAN ACHIEVE GREAT THINGS

Create health knowledge – and transform that knowledge into innovative ideas, products and services.

Move research evidence from the lab to the front lines of health practice, for the benefit of Canadian patients and the Canadian economy.

Harness research evidence to positively impact people's lives.

TOGETHER, WE CAN
CREATE HEALTH
INNOVATIONS THAT
CHANGE LIVES

Partnering with CIHR starts with a conversation. By combining resources and expertise, we can maximize the potential of our research efforts.

CREATING A
HEALTHIER CANADA
AND A
HEALTHIER WORLD
